Discount medical plans are provided by Patriot Health Florida, Inc., a discount medical plan organization. The plans are not health insurance policies. The plan provides discounts at certain health care providers for medical services and does not make payments directly to the providers of medical services. The member is obligated to pay for all health care services but will receive a discount from those health care providers who have contracted with Patriot Health Florida, Inc., located at 160 Eileen Way, Syosset, New York 11791. Not available in MT, ND, SD and VT.

A multi-tiered dental fee-for-service program, where members have access to dentists under 3 distinct scenarios:

Tier 1: At select participating Tier 1 general practitioners across the country, members will receive a **no-charge** exam and x-rays in conjunction with a paid annual cleaning. Participating providers abide by a fee schedule of fixed payments for most procedures. Fixed schedule procedure rate savings are **25% - 60%** on dental care, as compared to the American Dental Association surveys of usual and customary fees.

Tier 2: In the event a Tier 1 provider is not available in a given area, a secondary schedule participating dentist may be available at some of the lowest rates of any national dental network.

Tier 3: In the event a Tier 1 or Tier 2 dentist is not available, members simply call a Customer Representative for assistance in accessing a Tier 3 provider where available.
